STARSHIP'S MAGE

SCIENCE FICTION
FANTASY SAGA

A war fought in the shadows
A conspiracy shattered in fire
A moment of weakness...
When politics are played for blood.

Space Opera Science Fiction

The destruction of the secret archive of the Royal Order of Keepers on Mars has left Damien Montgomery, Hand of the Mage-King, with his enemies defeated, his lover dead--and his questions unanswered.

When he seeks out the remaining Keepers for answers, he discovers only violence and death in their strongholds. Someone else is hunting down the survivors to make sure they never answer Damien's questions--or anyone else's.

As a wave of murder sweeps Mars and the consequences of the Keepers' conspiracy sink home, Damien is summoned before the Council of the Protectorate to answer for the deaths of two other Hands. In the political heart of the Protectorate of Mars, he finds he may be forced to choose between honoring the oaths he swore and preserving the survival of the Protectorate itself!

"This series has everything! Action, character, heart, and mystery woven masterfully together in Stewart's fascinating universe where science and magic stand on equal footing. I love it!"

— *New York Times* bestseller **Jason M. Hough**,
author of *Zero World*

"What seems like an implausible mix of SF and fantasy at first somehow combines into a thoroughly engaging space opera read that manages to be fun while keeping the tension level high. I'm ready for the next."

— **Cat Rambo**, President of SFWA

When pirates seize the inter-planetary freighter owned by Brad Mantruso's family, he is dumped into space. Saved from death by a passing Fleet ship, he is left with nothing but his skills, a gun, and a burning desire for vengeance.

Acquiring a ship, he reinvents himself as the mercenary Captain Brad Madrid. Before he can pursue his enemies, however, he finds himself dragged into an unexpected conflict when his ship's history draws new enemies to him.

Beset by pirates, slavers, and a woman who might be his savior—but definitely is a spy—it will take all of his skill, cunning, and new friends to claim his revenge!

CASTLE FEDERATION

TRANSHUMANIST MILITARY
SCIENCE FICTION SERIES

Space Opera Science Fiction

A helpless ally calls for aid

A ruthless enemy strikes without mercy

The fate of empires turns on even the smallest actions

When a minor trade partner sends the Castle Federation a desperate call for aid, they have few resources to spare from their all-consuming war against the Terran Commonwealth. Unwilling to be seen failing their allies but able to spare only a tiny force, Castle sends a hero to command the task group: Captain Kyle Roberts, the Stellar Fox.

Beyond the Rimward frontier of the Federation and its allies, little is as it seems. The pirates are being armed by an outside force, and the politics of these worlds is made deadlier by their poverty. When the Coraline Imperium—the Federation's oft-difficult ally—sends forces as well, it risks a conflict that could undermine the Alliance protecting them both.

There are deeper games afoot as local schemes play the great powers against each other. Captain Roberts is caught in the chaos as fire and blood explode across the region. There is only one certainty: these Rimward Stars must not fall.

“This story has it all, great characters, political intrigue, and lots of action in a beguiling sci-fi setting. The book stands on its own merits, yet is an integral part of the series. Bravo!”

— Amazon Review

“This full-length novel is stuffed with the things we crave in this genre: great characters, exciting action, and a worthy plot, paced perfectly. No spoilers here, but the plot has twists you won't see coming. If you love these kinds of stories, it is a 5-star read.”

Superhero Fantasy

The alliance with the Elfin Warriors has allowed the United States Government's supernatural forces, the Omicron Branch, to hold the line against the demons and take the war to the Vampire Familias, defeating them in battle and reclaiming their resources.

Victory against the vampires, however, leaves David White with a moral dilemma as he captures an entire convoy of freshly turned vampires: beyond saving, but innocent of their species' crimes. Duty only allows one fate for them—but then an ancient vampire arrives to negotiate for their freedom.

Letting them go drags David into the middle of a political nightmare as the Omicron branch must decide which is more important: Omicron's authority and revenge for their dead, or the very Constitution and people they are sworn to defend...

"This is a good-a-- read, front to back....feverishly violent and wallows just as shamelessly in the expenditure of many, many bullets. In other words: Mindless Fun!"

— Amazon Review

"Great characters, good backstory, jaw dropping action from cover to cover. A must-read!"

DUCHY OF TERRA

ALIEN INVASION
SCIENCE FICTION SERIES

*Secrets both ancient and new.
Powers great and greater—
With Terra caught in the middle*

#1 Best Seller

#1 Amazon Bestseller in
Space Opera Science Fiction

Humanity's first colony is a project neither the Duchy of Terra nor the AITol Imperium can allow to fail. The planet Hope in the Alpha Centauri system has been lavished with resources and attention—but when an unknown alien force attacks the system, all of that is in danger.

An ancient alien artifact is the apparent target of the attack, an artifact older than known galactic civilization. Suddenly, the backwater colony of a second-rate power is the gathering point for a confrontation of the galaxy's greatest powers.

Duchess Annette Bond might be pregnant. She might be five light years away. She might have another galactic power on her doorstep demanding she surrender their rebels who've settled on Earth.

But she speaks for both Terra and the Imperium—and the galaxy will listen.

“Glynn Stewart is arguably one of the best science fiction writers of our time!”

— Amazon Review

“The entire series will keep you on the edge of your seat and it's a book and a series that you just can't put down. To put it simply, I cannot recommend it highly enough.”
